Tom, please see this control letter for support of FL Assumption for Mary’s signature. We are not responsible for RA signature. It is due back to OEEO by 11/10 (Tuesday). If there is a current desk statement I can help draft and start to route the letter.

Thanks, Erica

The attached control has been assigned to James Pinkney as the POC; he will work with WD to prepare a response for the RA’s signature. Once the response is completed please email it (the final word document) and the attached routing slip to James and copy me. The response is due to OEEO no later than 11/10/2020. OEEO will route the response to the Immediate Office for signature.

Thanks
